Basis of Preparation

These financial statements have been prepared as special purpose reports given the Anglican Diocese of Christchurch has no requirement to prepare Generally Accepted Accounting Practice ("NZ GAAP") compliant financial statements under the Financial Reporting Act 2013.

The financial statements have been prepared in accordance with the accounting policies detailed.

The financial statements have been prepared for the entity's owners.

Historical cost

These financial statements have been prepared on a historical cost basis, except for certain assets which have been revalued as identified in specific accounting policies below.

The financial statements are presented in New Zealand (NZ\$) and all values are rounded to the nearest NZ\$, except when otherwise indicated.

Changes in Accounting Policies

The Diocese transitioned on 1 January 2019 from preparation of PBE SFR-A (NFP) Public Benefit Simple Format Reporting - Accrual (Not-For-Profit) to prepare special purpose financial statements. The transition has had minimal impact on the accounting policies of the entity. All other accounting policies of the entity have been applied consistently during the year.

Goods and Services Tax (GST)

The Diocese is registered for GST, therefore all amounts are recorded exclusive of GST, except for debtors and creditors which are stated inclusive of GST.

Income Tax

From the start of the 2019 year income tax is accounted for using the taxes payable method. The income tax expense in the Statement of Financial Performance represents the estimated current obligation payable to Inland Revenue. The Diocese qualifies for the not-for-profit annual \$1,000 income tax exemption.

The Diocese was previously wholly exempt from New Zealand income tax having fully complied with all statutory conditions for these exemptions until 31 December 2018 as a registered charity.

Revenue

Donations are recognised as revenue when invoiced for regular givers and upon receipt for one-off Grants are recognised as revenue upon receipt other than grants with "use or return" conditions attached which are initially recognised as a liability and as conditions are met the grant is recorded to revenue. Revenue from services is recognised when the services are provided. Interest income is recognised as revenue as it accrues.

Bank Accounts and Cash

Bank Accounts and cash in the Statement of Cash Flows comprise cash balances and bank balances (including short term deposits) with original maturities of 90 days or less.

Debtors

Debtors are stated at their expected realisable value. Bad debts are written off in the year in which they become uncollectible.

Investments

Investments are stated at fair value. Investments with the Church Property Trustees are shown according to the Diocese's intention of retaining them up to 31 December 2018. These were transferred to the Anglican Diocesan Ministry Support Centre on the 1st January 2019.

Plant and equipment

Plant and equipment are recorded at cost less accumulated depreciation. Assets less than \$500 are expensed. Depreciation has been provided on a straight line basis, to allocate the assets cost less estimated residual value over their estimated economic lives.

Estimated economic life is:

Independent auditor's report To the Members of the Anglican Diocese of Christchurch

Opinion

We have audited the accompanying special purpose financial statements of the Anglican Diocese of Christchurch ("the Entity"), which comprise the statement of financial position of the Entity as at 31 December 2019, and the statement of financial performance, statement of movements in equity, movements in special purpose funds and statement of cash flows for the year then ended, and notes to the special purpose financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying special purpose financial statements of the Entity for the year ended 31 December 2019 are prepared, in all material respects, in accordance with the summary of significant accounting policies as set out of pages 10 and 11.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (New Zealand). Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the Entity in accordance with Professional and Ethical Standard 1 (revised) Code of Ethics for Assurance Practitioners issued by the New Zealand Auditing and Assurance Standards Board, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other than in our capacity as auditor we have no relationship with, or interest in, the Entity. Partners and employees of our firm may deal with the Entity on normal terms within the ordinary course of activities of the Entity.

Emphasis of matter: Basis of accounting and restriction on use

We draw attention to the basis of preparation on page 10, which describes the basis of accounting. The financial statements are prepared to assist the Entity in meeting the Financial Regulations of the Diocese of Christchurch 2018's reporting obligation. As a result, the financial statements may not be suitable for another purpose. Our report is intended solely for the Members of the Entity and should not be used by parties other than the Entity and its Members. Our opinion is not modified in respect of this matter.

Information other than the financial statements and auditor's report

Those charged with governance are responsible for the Annual Report, which includes information other than the financial statements and auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the audit, or otherwise appears to be materially misstated.

If, based upon the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Those charged with governance responsibilities for the financial statements

Those charged with governance are responsible, on behalf of the Entity, for the preparation of the financial statements in accordance with the summary of significant accounting policies as set out of pages 10 and 11 and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, those charged with governance are responsible for assessing on behalf of the entity the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless those charged with governance either intend to liquidate the Entity or cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with International Standards on Auditing (New Zealand) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located at the External Reporting Board website: <https://www.xrb.govt.nz/standards-for-assurance-practitioners/auditors-responsibilities/audit-report-8/>. This description forms part of our auditor's report.
