Profile of Nominee

John has served as a priest in the Christchurch Diocese since being ordained in 2012, holding Asst Priest and Vicar positions in several parishes in Christchurch and Timaru. He is currently Vicar of the Halswell-Prebbleton Parish.

Before ordination, John worked for approximately 20 years in the banking and electronics industries in his native California. He held positions in loan processing, financial analysis, financial management, revenue management, sales support, and related areas. He holds a bachelor's degree in economics and a graduate degree in financial management.

John and his wife Melissa have been permanent residents of New Zealand since 2011.

From 2015 to 2019, John served on the Anglican Care Trust Board and as Divisional Manager of the Anglican Care South Canterbury Committee. During that time he helped oversee the Oceans grief and loss programme and various educational programmes run in and around Timaru, and helped to make decisions at the Trust Board level on various initiatives, such as the Youth Hub.

John believes that his combination of financial experience, both in the church and outside of it, and his experience serving on boards and committees will be of use to the Church Property Trustees. He looks forward to the challenge of helping to manage its large portfolio of church buildings, properties and investments in ways that further our mission of spreading the Gospel in our part of New Zealand.
