Pre Synod Memo to Synod Members re the Cathedral Reinstatement Project

Dear Members of Synod,

The Cathedral Project is in pause mode in respect of construction. It is not in pause mode in respect of what our next steps might be.

The CCRL board, now chaired by Steve Wakefield (who is also Deputy Chair of CPT), has been working diligently on a way forward for the Project.

At the time of writing, our work is not completed to the point where we can make a formal announcement.

We expect, however, by the time of Synod in September that we will be able to offer to members of Synod an important update on our view of what our next steps will be, and thus how the Project can move forward.

I do not expect that the Project itself will have any formal resolution to bring to Synod but we will be able to brief you on next steps which are consistent with Synod resolutions previously agreed to.

Yours in Christ,

Bishop Peter
The Rt Rev'd Dr Peter Carrell
Bishop of Christchurch
