

St George's Hospital Chaplaincy

In 2024 St Georges was an enjoyable place to be as a Chaplain.

Being among staff and patients had many challenging and positive experiences. I have always found the Staff at the Hospital good to work alongside and are appreciative of what you do for them.

One Sunday each month, we have a very reflective and prayerful service in the Hospital Chapel, which is mainly attended by Society members. This is a well-attended and encouraging evening, supper is served after the service.

2024 was also a time of grief for St Georges, as we lost Executive Assistant Dawn Hinton. Dawn worked continuously for the sake of others and beyond what most of us could ever imagine. She will be remembered by many for all she did.

I thank the Hospital for their support of my work there.

God Bless
Jeff Cotton.
